PAINT CHIP ANALYSIS PROCESSING AND SHIPPING INFORMATION	
PAYMENT, TIMEFRAME, & REPORTING	INSTRUCTIONS ON COLLECTING SAMPLES
<b>Analysis and detailed report takes 7-14 business days</b> upon receipt of the sample(s). <b>Detailed report will be emailed to the contact listed in the form above.</b> Please check your email's spam folder for detailed report upon dispatch.	Collect a few core sample paints chips (including the substrate, if possible) at least 1/4" in diameter for complete testing. <b>The lab cannot process results from paint powder.</b> Package collected samples in a protected container to help prevent crushing while in transit, such as a bubble-pack envelope, along with a copy of this completed form to:
